The site plan illustrates the layout of Guangxi Yixin New Materials Technology Co., Ltd. The main building complex is situated in the upper portion of the site, featuring several interconnected structures. Key areas include:

- Building Footprints:** Various rectangular and irregular shapes representing different buildings, some labeled with numbers like 3-5, 3-5B, and A-5B.
- Parking Areas:** Designated zones for vehicles, including a large area labeled "机动车位" (Motor Vehicle Parking) at the top center.
- Landscaping and Greenery:** Shaded regions indicating planted areas, with specific labels like "绿化" (Landscaping) and "绿化用地" (Landscaping Land).
- Infrastructure:** Roads, paths, and utility lines are shown throughout the site. A "水质检测井 (污水2)" (Water Quality Detection Well (Sewerage 2)) is marked near the top right.
- Orientation and Scale:** A north arrow is located in the top right corner, and a scale bar is provided at the bottom right.

The plan is detailed with various annotations, including room numbers, area measurements, and specific site features, providing a comprehensive overview of the company's premises.
